

To whom it may concern.

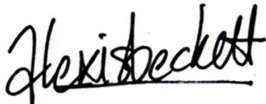

After doing well as a member of the retail team, Andrea really came into her own after a restructure.

She led the creative on Ackerman's, bringing excitement & energy to the brand. At the same time she involved herself in other aspects of agency output, including above the line projects.

Opinionated & strong-willed, Andrea is also a keen listener and always eager to learn. She is hard working, thorough and detail oriented. She rises to a challenge and performs well under pressure.

Andrea was well liked by her peers and clients alike and she would be an asset to any team.
